

Ocedo Asia Partner Training

On 21st July 2015, Ocedo held its Asia Partner Training in Singapore, Carlton Hotel. It was a full day training which consisted of sales training in the morning and technical training in the afternoon. The sales essentials included Ocedo philosophy and configuration flow, product details and partner program etc while the technical essentials included Ocedo system configuration details with hands-on sessions. This training was a fruitful session proudly presented by Mr Lutz Linzenmeier, Senior Pre-Sales Engineer of Ocedo, where partners gained knowledge about the essential information of Ocedo and what Ocedo does.
